Hello from the Gustine Chamber of Commerce,

The Gustine Chamber of Commerce is a voluntary membership organization. Many businesses, organizations and individuals are working together to make Gustine a better place to live and prosper. The Chamber represents and promotes the area's economy and encourages business and industrial investment to create new jobs. The Chamber is also the community's "Front Door" for tourists, business prospects and new residence. Another important Chamber responsibility is to represent the current businesses in the community and surrounding communities. Collectively, the Chamber can accomplish what no one individually can. The Gustine Chamber's philosophy is to unite citizens and businesses by facilitating communication through informational packets, community activities, monthly Chamber meetings, members and you.

Your annual dues ensure the financial assistance for the Chamber to continually dedicate it's efforts toward the betterment of the community and businesses. The Chamber would like to have the opportunity to bring to your attention the benefits of you and your business becoming or remaining a Chamber of Commerce Member. There is no better way to get your company name and the services you provide before the community, than through the Chamber of Commerce. The following benefits are available to all members:

- Chamber directory listings: all members are listed in our Membership Business Directory. All members will receive a free listing of your business on our webpage, these are listed alphabetically. Listings will include your contact information, a hot button (if purchased), and your nature of business.
- Referrals: we refer members first! The Chamber makes referrals to callers, visitors, other businesses, and community members. Remember, word of mouth is the best advertisement!
- Free placement of brochures for upcoming promotions, sales and other events in the Chamber office.
- Free placement of business cards to be distributed to potential customers, displayed in the Chamber office.
- Open House, Mixers and Ribbon Cutting events, at your request. The local Chamber offices routinely conduct mixers (social event for different Chamber offices and it's members) as a meet and greet to get to know you and your business!
- Chamber sponsored downtown events: downtown mixers, street fair, Old Fashion Christmas Celebration, 4th of July Parade, etc. These events bring hundreds of people to downtown Gustine!
- Sponsorship opportunities that are not available to non-participating members, allowing exposure through event signs, mentions at meetings, and word of mouth.

Please feel free to contact me (information is above) with any questions or stop by the Chamber office downtown to say hello and allow me to answer any questions or address concerns that you may have. I would love the opportunity to meet with you and learn about your business and services you provide.

Sincerely,

Vanessa Rogers, Executive Director
